Foley Fish of Boston

Any fish company can say they have the best fish but only one can and has delivered consistently high quality fish since 1906 - Foley Fish of Boston. McGinnis Sisters is the exclusive provider of Foley Fish in the area and our customers are assured of freshness and quality. Foley buyers hand select only the best and freshest fish that is inspected, hand cut and rushed to our doors. Foley products are never soaked in solutions, brines or gassed to preserve freshness or increase weight. Attention to detail and an unwillingness to cut corners ensures that our seafood is the best in Pittsburgh!

Orange Glazed Salmon

- 2 salmon fillets about 4-5 oz. each
- 2 tablespoon butter
- 1/2 cup orange juice, divided
- 2 slices orange

Directions:

Salt and pepper salmon to taste. Sear the fish fillets in the 1 tbs. butter in a large, very hot skillet for 1 minute on each side. You should hear the fish sizzle. Remove fillets from the heat and transfer them to a glass baking dish or baking pan. Drizzle 1/4 cup and the orange juice over them and bake them for 10 minutes at 425 F degrees.

Meanwhile, heat the other 1/4 cup orange juice in a small saucepan over medium-high heat until reduced by half. Add the orange slices, and stir once or twice, until the sauce becomes thick. Remove from heat, drizzle the sauce over the fish, and serve with roasted asparagus.
